

- Don't allow "tailgaters" to enter secured doors behind you, especially in the residence halls.
- Let a responsible person know where you are going, when you will return and how to contact you if you go somewhere alone outside of your normal routine.
- Use the "buddy" system with people you trust to watch out for each other's safety if you go to a party, bar or nightclub. Don't walk alone after dark off campus.
- Trust your "gut" feelings and avoid persons and situations that make you feel uncomfortable
- Additional safety and crime prevention information can be found through the following links:
